## Designing the "COUPLE'S" Bedroom of Your Dreams

Are you engaged? Getting ready to move-in with your "sweetie"? Whether you are moving in together or have been together for awhile but haven't focused on your "couple design style" this room package is for YOU! The "Designing the COUPLE'S Bedroom of Your Dreams" room package focuses on THE most important room of your home: the BEDROOM.

We spend 1/3 of our lives in this all-important space...it's where we start & end our day. It's also the space where ROMANCE is 2nd only to REST (or when PASSION is 1st!). Using Integrative Lifestyle Design (ILD) which incorporates Feng Shui, we will focus on the RELATIONSHIP Life Area & create a healthy sanctuary for the 2 of you..

\*\*\*If health issues are a concern (insomnia, allergies/asthma) or physical challenges exist, we can design a space that encourages independence & life quality!\*\*\*

Using color, accessories, clutter-busting & proper space-planning, you'll have a space that invites you to relax & serve as a space where you & your significant other can enjoy each other (NOT your kids or in-laws!).

Inclusions: paint (up to 5 gallons), 1 organic mattress topper & 1 set of bamboo bedding

Add-Ons: custom window treatments, duvet/pillows & upholstered furniture

Price: \$3000.00
